

Visitor parking spaces

Basement 3, spaces marked 15

Two car parking spaces are available to our firm's visitors in our basement carpark.

Entry via Sanders Street is through the driveway on the right side of the building.

Please stop adjacent to the intercom attached to the silver panelled wall on the right side of the driveway and follow the instructions. Our receptionist will then allow you to access.

Proceed to the third level, turn right at the end, take the first right again and proceed to the end where you will see our signs on the wall. Both spaces are marked 15.

Please contact our office if you have any questions.
